

City of Blytheville

Public Works Committee

May 10, 2021

Meeting Minutes

Committee Members:

- Councilman Jones
- Councilman Mayberry
- Councilman Perrin (C)

Others In Attendance:

- Councilwoman Brothers
- Councilman Musgraves
- Councilwoman James
- Director Mark Key

Agenda:

- I. Project Updates
 - Director Key (who is not Director Carr) reported 76 potholes repaired for the month, 56 tires had been picked up, and one work order from Code Enforcement.
 - 18 storm drains done
 - Shelby Electric should be beginning work on I-55 lights much sooner than originally expected
- II. Increased lease agreements on Public Works trucks
 - Current leases are good through 2021. New lease agreements are a necessary cost because the equipment is necessary. Lease agreements approved and sent to Finance Committee.
- III. Remarks & Questions Outstanding
 - Flooding continues on the southeast side of the city. Directory Key is working to get the big ditch cleaned out and suspects that will take care of a majority of the problem.
