Subject: Can you confirm if you're investigating this?

There was an incident involving Blytheville police on Sept 29 in which the family of a man named Rayshawn Warren claim a Blytheville officer crushed his trachea during an arrest. Can you confirm if Arkansas State Police is investigating

City attorney sent me this. It is a request from a memphis reporter

Did you let the Major know about Rayshawn Warren and is there anything else I need to do? Also I did send the video to the FBI LR office on civil rights and they sent it to the DOJ.

The LR office said they didn't see anything and the DOJ

Chief Thompson:

This letter is being sent to document The Federal Bureau of Investigation's request back in November 2018 for all video recordings and documents concerning an incident on 09/29/2018 involving Blytheville Police Officers and Mr. Rayshawn Warren. The FBI made this request in order to review the video and documents to make a determination if there were violations of federal law. Blytheville Police Department complied with this request and the FBI received the video and records on 11/6/2018.

Please contact either Supervisory Special Agent Todd Adams at 501-228-8410 or Special Agent Jacob Stokes at 501-228-8503 with any questions or concerns regarding this request.

Sincerely,

SAC L. Diane Upchurch
Special Agent in Charge
