Describe event

On Sunday 10-29-17 I was assaulted by officer Byron, SA, Lawant I was breaking up a fight in the midst of a police chase that I called to get help. They stop the police the officer from behind and he throw on the concrete. I was not arrested or charged at all. As a result he fractured my eye socket and fracture my face. I have a list of the problems that I have with my health problems. My children was arrested for no reasons at all, they was chasing Estrain Jimenez which he was threatening to shoot my family. This guy has been on the run for over a year.
